Indraprastha SystemCert Pvt. Ltd. *Certificate*

Certificate

This is to Certify that the
Quality Management System
of
MANN AUTO INDUSTRIES

WZ- 257C, Madipur Village, (West Punjabi Bagh),
New Delhi-110063, India

has been assessed and found to be in
conformance to the requirements of the
Quality Management Standard

ISO 9001:2008
for the scope of

Manufacturing of Two and Three Wheeler Auto Spare Parts Such as
Break Shoe, Clutch Plate & Aluminium Die Casting

subject to continued satisfactory conformance of
governing standard.

Certificate No. : DI-16051705

Date of initial registration	17-05-2016
Date of this certificate	17-05-2016
Certificate expiry	16-05-2017
Recertification Due	16-05-2019

By Singh
Authorized Signatory

CB-022-MS

Accredited by Member of International Accreditation Forum

MAI GROUP

Company Profile

A leading Manufacturer & Exporter of Friction & Die-Casting Parts, and is a supplier to Automobile Manufacturer's

VISION

To be the first choice for the customer's & Forman

MISSION

As a responsible, customer focused market leader, we will strive to understand the safely needs of the consumer and translate it into affordable products that deliver value for money.

About Us

**We are one of the leading Manufacturer of Die-Casting and Friction Parts in the Automobile industry.*

**Our Group is one of Manufacturer of Auto Electric Parts and fiber item the most competitive in making high quality product at effective prices.*

**Our customer are the most satisfied customer in the Automobile Industry.*

**We have more than 150 Distributors/ Dealer all over India and also good market Share in Exports.*

**We are one of the leading supplier to Major Automobile Manufacturer's.*

**We are continuously upgrading business process to achieve the following:*

-High productivity -Lower input cost -Lower rejection

AUTO- TESTING & R&D FACILITIES:

**Full Scale Inertia Dynamometer. *Computerized Friction Testing Machines for Brake Shoes & Clutch Plate. *CNC Controlled CMM. *Cylindricity Testing, Profile Projector.*

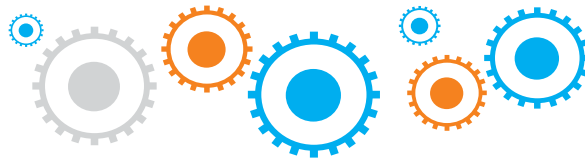

**Universal Testing Machine. *Chemical Lab. *Computerized Decision Controlled Software for each stage of inspection like Receipt, In-Process & Final. *And many other general purpose machines. *Professional team of engineers. *Support from our collaborator.*

We are planning to appoint Distributor in your Region, so kindly call or contact us, through Letter, SMS, or E-mail and send your contact details (as we only have your Mailing Address).

We hope that our Association with your company will give both of us fruitful results, and Long-Term Business Relationship.

Thanking you
